

Milwaukee Collegiate Academy Technology and Vision Campaign

MCA has set an ambitious goal to raise up to \$60,000 over the next two months for the purchase of the necessary technology to help support the learning of MCA scholars — it is money that will directly impact our students this fall. We agree with those who say that every student — regardless of ZIP code or background — deserves opportunities to use technology to create, design, build, explore, and collaborate. Many of our school goals are obtained with donations from our generous families, alumni, community and business partners.

YES, I want to support MCA to enhance educational experiences for all of our students with an immediate tax-deductible contribution of:

\$25 \$50 \$100 \$250
\$500 \$1,000 \$2,000 \$5,000

I request to have this contribution in the name of:

Indicate who this donation should recognize

Donor Name:

As it should appear in our publications
